- **hülsta-Push-to-open:** All drawers, hinge-doors and flaps with hülsta-Push-to-open
- Since 1996, we are entitled to label all of our modular furniture and base frames with the strictly regulated "Blue Angel", which awards products that are low in emissions and especially environmentally friendly.
- **Important note:** Because orders are read automatically, the correct type number for the required unit must be stated in the order. Please be sure to remember this in the order!

Please be sure to see the „now! general“ chapter on the following subjects:

- Important notes on including lighting
- Remote control set for LED lamps
- IR repeater set for lowboards
- Flatscreen TV sizes overview
- Flap hinge
- Wall units
- Maximum loads
- Quality of walls / assembly instructions

## Type list

**now!** easy  
by hülsta

● ● ● made in germany

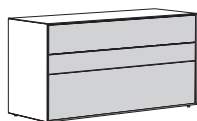

## Planning notes

### Important note:

Because orders are read automatically, the correct type number of the required unit should always be stated in the order. Please note when ordering!

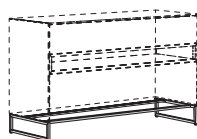

## Planning assembly units / cabinets

### Planning step 1

**Choice of unit**  
in the required version

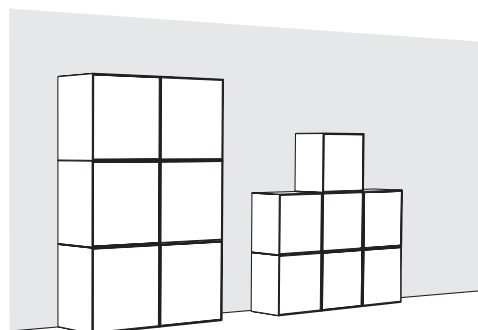

### Planning step 2

### Choice of optional metal substructure or wall bracket and optional lamp

The wall bracket is necessary for fitting assembly units and cabinets on walls (stacking or suspending). In this case the legs are omitted. Note: wall units always include a wall bracket. If units are to be fitted on a metal substructure, one must be ordered for each unit.

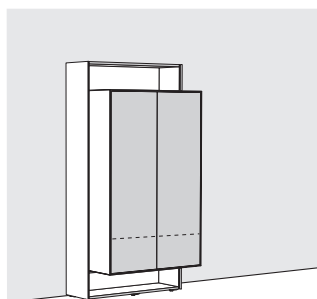

## Stacking assembly units

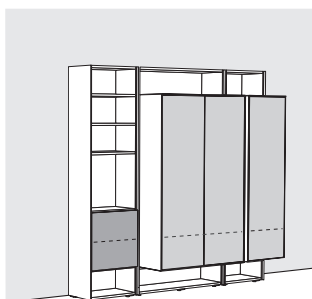

With now! easy it is possible, to stack assembly units. In this case a wall bracket must be ordered for each stacked unit.

## Planning wardrobe modules

### Planning step 1

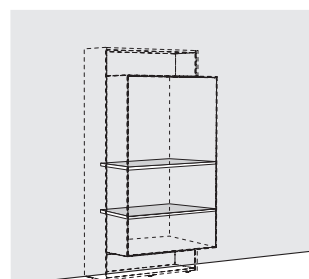

**Choice of unit**  
in the required version

As many modules as required can be included.

### Planning step 2

### Choice of optional accessories

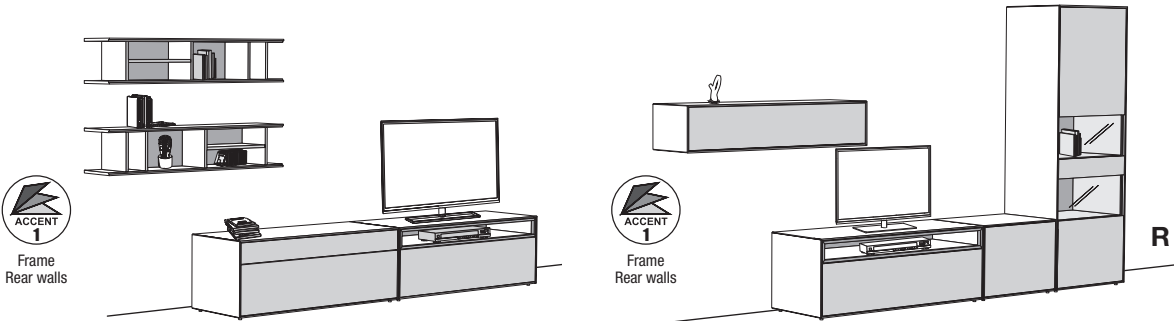

such as:  
- Fitted shelf  
- Lamps

Special combinations

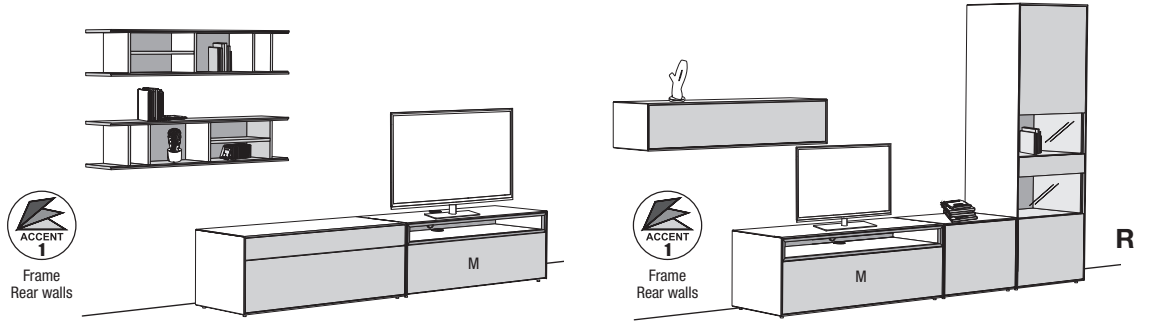

Special combinations are arrangements that are reduced in price. This price advantage is only available when the arrangement is ordered exactly as described. The special combinations can be enhanced by including accessories. These are charged extra.

## Possible arrangements

Sketch raster for  
the now! easy range

Type list

made in germany

Please superimpose unlined paper and write firmly. In order to avoid slipping, use 2 paper clips or fold the edge of the drawing sheet.

Checklist

- 1.) Do the **sketch and the order** match? Do the **dimensions and the sketch** match the type number?  
Are all **type numbers** correctly stated in the sketch? Can one see the **position of door hinges**?
- 2.) Are all **type numbers** correct? Have you perhaps confused **price and type numbers**?
- 3.) In combinations of **wooden and lacquer versions**: is it clear which units are to be delivered in which version?
- 4.) Is it clear whether the types ordered are to be employed as **wall units** or as **plinth units**? Have you remembered the **wall bracket** for wall units?
- 5.) Are all **accessories** such as fitted shelves for wardrobes etc. included in the sketch?
- 6.) Is this an **additional order**? If so, when was the **original order**? If possible, include a sketch on which the existing and new units are clearly marked.

Please also remember the planning notes on the introductory pages!
